EXHIBIT 21

Anyway, I had a look at the data, and personally I think a 30 hour retainer would be more suitable, which I guess is not a massive difference from what they have charged you. I believe they still have the same hourly rate as us ($650) so that would make the retainer $19500, but we would make it refundable retainer in case you decide to not to continue at some point. We would set the contingency at 10%   11:25 ✓✓

We just paid them 30k and they are refusing a refund how do I justify paying the same company another 20k for another team to do the first teams job   11:26

We went to the FBI and they told us this was the best route   11:27

Yeah, this is what they are telling people. I'm still with CipherBlade most definitely.   11:27 ✓✓

Mason Miller
Well it seems like y'all have an internal issue and that's not our fault   11:27

And Rich is no longer in Ukraine. He came back specifically to deal with the hostile takeover

Well it seems like y'all have a...
Yep, most definitely.   11:27 ✓✓

Mason Miller
So what do we do   11:27

You are the CEO   11:27

Well Justin is calling himself the CEO too.   11:28 ✓✓

So what do we do
They are not cooperative with us and there is a legal dispute. You
